ORDER NO.

2019-376

THIS DIRECTIVE SHALL SERVE AS THE COMMISSION'S ORDER ON THIS ISSUE.

SUBJECT:

DOCKET NO. 2019-152-E - Request of Dominion Energy South Carolina, Incorporated for Approval of Revisions to Rate 17 (Municipal Street Lighting), Rate 25 (Overhead Floodlighting Service), and Rate 26 (Overhead Private Street Lighting) – Staff Presents for Commission Consideration Dominion Energy South Carolina, Incorporated's Request for Approval of Revisions to Rate 17 (Municipal Street Lighting), Rate 25 (Overhead Floodlighting Service), and Rate 26 (Overhead Private Street Lighting).

COMMISSION ACTION:

Dominion Energy South Carolina is requesting approval to make revisions to Rate 17 (Municipal Street Lighting), Rate 25 (Overhead Floodlighting Service), and Rate 26 (Overhead Private Street Lighting).

The Company reports that demand from municipalities for more LED lighting options has led to the Company proposing to add additional light fixtures to its Rate 17.

Regarding the proposed Rate 25 (Overhead Floodlighting Service) and Rate 26 (Overhead Private Street Lighting) revisions, the utility states that improvements in LED technology allow it to offer new fixtures that provide at least the same light output for less cost.

The Office of Regulatory Staff recommends approval.

I believe the requested changes provide important benefits to customers as LED technology continues to lower costs while providing the same or better lighting solutions. Therefore, after careful consideration and review I move that we approve the proposed changes.
